“Empower your journey
with precision Auto Parts.
Drive with confidence,
fueled by Quality.”

ABOUT US

Established in **2007**, **Hariom Industries (HOI)** is a leading manufacturer of precision-engineered **automotive parts** based in **India**. With a strong focus on quality, durability, and performance, we specialize in producing a wide range of components for **three-wheelers**, **Four-wheelers**, and **light commercial vehicles**, including **brake Parts**, **clutch parts**, and **custom-cast components**.

Over the years, HOI has built a solid reputation for delivering reliable products that meet both **OEM standards** and **aftermarket requirements**. Our manufacturing units are equipped with modern machinery and supported by a team of skilled engineers and technicians dedicated to continuous innovation and quality improvement.

At **Hariom Industries**, we believe in "Quality First, Service Always." Our commitment to excellence has made us a trusted supplier for prominent vehicle manufacturers.

With over **18 years of experience**, a strong customer base, and a vision for global growth, we continue to drive forward—engineering parts that keep the world moving.

VISION

To be a **globally recognized leader** in the automotive components industry by delivering **innovative**, **reliable**, and **cost-effective** solutions that drive mobility forward. At **Hariom Industries**, we strive to set new benchmarks in **quality**, **customer satisfaction**, and **sustainable manufacturing**, while continuously expanding our reach in both domestic and international markets.

MISSION

At **Hariom Industries**, our mission is to **manufacture high-quality automotive components** that meet the evolving needs of our customers and partners. We are committed to:

- ▶ Delivering **precision-engineered parts** that ensure safety, performance, and durability
- ▶ Embracing **innovation** and continuous improvement in our processes and products
- ▶ Maintaining **strict quality control** and timely delivery
- ▶ Building **long-term relationships** based on trust, transparency, and reliability

Through dedication, teamwork, and customer focus, we aim to be a preferred partner in the automotive industry.

WHY CHOOSE US

At **Hariom Industries**, we don't just manufacture auto parts — we deliver **quality, trust, and value**. Here's why leading automotive brands and suppliers choose us:

Proven Experience

With over **18 years** in the industry, we understand the demands of the automotive sector & consistently deliver high-performance components.

Precision Engineering

We use **advanced manufacturing techniques**, high-grade materials, and strict quality checks to ensure every part meets OEM and global standards.

Customized Solutions

We work closely with our clients to develop **tailor-made components** that meet specific technical and performance requirements.

Reliable Delivery

Timely production and delivery are part of our promise, backed by a well-organized supply chain and dedicated support team.

Competitive Pricing

By optimizing our processes and sourcing, we provide **cost-effective solutions** without compromising on quality.

Make in India, Serve the World

Proudly rooted in India, we're committed to supporting local manufacturing while expanding our footprint across **global markets**.
